

CORE SKILLS

Languages & Markup

JavaScript · TypeScript · HTML · CSS

Frameworks & Libraries

React · Next.js · Node.js · Express · Tailwind CSS · Bootstrap

Backend & Databases

Firebase · MongoDB · Mongoose

APIs & Authentication

REST APIs · Passport.js · Microsoft Identity / Azure AD

Tools & Workflow

Git · GitHub · Netlify · Cursor

Development Practices

Responsive Design · Accessibility · CRUD · Agile/Scrum

Core Skills

Problem-solving · Collaboration · Communication · Adaptability · Leadership

PROFESSIONAL SUMMARY

Full-Stack Software Engineer experienced in developing and deploying web applications using JavaScript, React, Next.js and Firebase. Strong focus on building responsive, maintainable applications, with an interest in AI-assisted development and modern engineering workflows.

PROFESSIONAL EXPERIENCE

Freelance Software Engineer

Freelance

2024 - present

- Develop and maintain responsive websites and full-stack web applications using JavaScript, React, Next.js, Tailwind CSS, Bootstrap and Firebase.
- Translate client requirements into tailored, maintainable digital solutions, working directly with clients throughout development.
- Diagnose and resolve technical issues to improve functionality, reliability and performance.
- Manage end-to-end delivery, including development, deployment, hosting, domain configuration and ongoing maintenance.

Software Engineer

100Devs

2024 - present

- Build and deploy full-stack web applications using React, JavaScript, TypeScript, Node.js, Express and MongoDB/Mongoose.
- Develop REST APIs and CRUD applications, implementing database integration and server-side functionality.
- Implement user authentication using Passport.js and Microsoft Identity/Azure AD, including authenticated, user-specific data.
- Collaborate in agile development teams using Git, GitHub, code reviews and collaborative development workflows.

Senior Assistant Psychologist

Northamptonshire NHS, Crisis Team

2020 - 2023

- Created and delivered individually tailored 1:1 interventions to high-risk clients.
- Delivered support and risk management plans for patients in crisis.
- Involvement with multidisciplinary team meetings and liaison with other services regarding patient care.
- Developed and facilitated training on assessments, interventions and psychoeducation for other staff.

Senior Assistant Psychologist

Northamptonshire NHS, Improving Access to Psychological Therapies

2018 - 2020

- Delivered individual and group interventions across remote and in-person settings while managing a high-volume caseload.
- Conducted assessments and developed individualised formulations and treatment plans.

EDUCATION

BSc Psychology, First Class honours

Southampton Solent University

2013 - 2016
